

New at Forest Hills Country Club!!!

We have recently purchased 16 up-lights for the ballroom and lounge area.

They rent for \$30 each and you can choose your color!

***Also, the chandeliers have been removed making the ballroom look and feel
even larger and more open.***

***New, comfortable banquet chairs have been ordered in a light cream color and
should be in-house by Mid to end of May!***

Come see all of the improvements

Happy Spring!!!
